Workplace Investigations: A Q&A with Susan Fentin

As an HR manager, you should be thoroughly investigating every complaint that comes across your desk. And, it's important to investigate allegations of wrongdoing in a timely manner, but you run the risk of cutting some key corners if you act too quickly.

Balancing the Free-Speech Rights of Employees and Employers

Everywhere you turn in 2018, people are talking about politics. That includes your workplace. Since President Donald Trump's election in November 2016, it seems like you can't escape the constant drumbeat of other people's political messages. With so much political talk in the air, what can an

Retirement Savings Plague Workers Who Are Fearful They'll be Working Past 70

One of the most talked about HR trends of 2018 is financial wellness. More and more employers are stepping up to help their employees get on the right track to becoming more financially stable. However, a new CareerBuilder survey highlights employees' concerns over whether or not they have enough saved for retirement, hindering plans to retire at the typical age of 65.
